- Material Safety Data Sheet must be attached to every shipment
- Certain cities in China are supported using domestic flights. As such unless the domestic CN requirement for a copy of the non-dangerous goods certificate as well as the material safety data sheet to accompany the shipment is met. These shipments will be routed to final destination utilising truck movement and will incur a 3–7 day transit delay. Please refer to China restriction sheet for cities effected
- No Dangerous Goods service to Greenland
- Only Addresses in MOW, SVO, DME (Moscow City and Moscow region) and LED (St. Petersburg region) can be serviced
- Can only be sent to the following areas: Istanbul, Ankara, Izmir, Denizli, Adana, Kayseri, Gaziantep, Antalya and Bursa
- Days 1–4 departures only
- Loose Overpacks eg: Flyer bag not accepted
- Excludes Jan Mayen & Svalbard
- Shipper must pre-alert 48 hrs before bringing shipment into Norsk – dg@norsk.global
- Excludes Ceuta & Melilla
- Only shipments to SHA, PVG, SZV, HGH, FOC, CAN, SZX, SWA, DGM, ZUH accepted
- Excludes Dubrovnik
- ATH & SKG only, no Greek Islands
- TNG (Tangiers City) serviced areas closed
- Shipments to postcodes 6401-6620, 6631-6639, 6690-6698, 8000-9999 may have service delay due to road transport
- Days 1-3 collections only
- Additional requirement - 2 extra copies of the Dangerous Goods Declaration DGD
- Additional 2 days transit
- SIN days Monday, Tuesday & Wednesday only, only SIN codes no transit material
- Three original copies of the Dangerous Goods Declaration to accompany the shipment
- HKG Monday to Friday only, only HKG no transit material

*Shipments must comply with IATA changes effective from 1st April 2016

**There are a list of UK Domestic postcodes that can not send or receive Dangerous Goods by road. This is due to the fact these areas at present are only serviced by air. Please see the UK Domestic Postcode Exceptions table.

Dangerous Goods

China Domestic Flight Restriction

These CN Towns & Cities are supported using domestic flights. Shipments will need to be accompanied with a Non DG-certificate from an authorised Chinese test facility i.e.:

North China – Beijing DGM Test Centre

East China – Shanghai Chemical Institute

South China – Guangzhou Chemical Institute

Shipments without a Non DG cert to these addresses will be supported utilising a truck movement and will incur an additional 3–7 day delay in transit.
